Suspension, Negotiated Transfer and Expulsion of Students Framework - Catholic Education Sandhurst Limited

1. Vision

The vision for Catholic Education Sandhurst Limited (CES Limited) is to provide, in partnership with our families, stimulating, enriching, liberating and nurturing learning environments in each of the Catholic school communities within the Diocese. At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing, and inclusion of all children and young people.

We believe:

- that the values of the Gospel are central to who we are, what we do, and how we act
- in leadership encompassing vision, innovation and empowerment.

2. Introduction

Sandhurst Catholic schools offer a broad, comprehensive curriculum imbued with an authentic Catholic understanding of Christ and his teaching, as well as a lived appreciation of membership of the Catholic Church.

Parents and guardians, as the first educators of their children, enter into a partnership with Catholic Education Sandhurst (CES) Limited to promote and support their child's education. Parents and guardians have a responsibility for maintaining this partnership by supporting the school in furthering the spiritual and academic life of their children. As the governing authority of Sandhurst Catholic Schools, CES Limited honours this duty through striving to provide Catholic schooling for all those seeking this for their children and who are willing to support the values and purposes of CES Limited.

All CES Limited schools must ensure the Suspension, Negotiated Transfer and Expulsion of Students policies and procedures that are implemented at school level are consistent with this CES Limited Framework.

Working in partnership with parents and guided by values of justice, equity, integrity, respect and compassion, approaches to behaviour support in Sandhurst Catholic Schools are underpinned by the belief that all students require a level of behaviour that respects their rights and the rights of others to:

- be safe and feel safe

<p>Expulsion</p>	<p>Expulsion involves the termination of the contract entered into at the time of the enrolment by the parent(s)/carer(s)/relevant person.</p> <p>Expulsion occurs when, following consultation with the CES Limited Assistant to the Director: Pastoral Wellbeing, a student’s attendance at their current school is permanently withdrawn by the Principal.</p> <p>The School's enrolment agreement explicitly records at the time of acceptance of the enrolment of a student that unacceptable behaviour by a child, may result in suspension or termination of the child's enrolment.</p> <p>The Principal, wherever possible, will work with the student and their parent(s)/carer(s)/relevant person to arrange enrolment with another school in accordance with this Framework.</p>

<p>Mature Minor</p>	<p>The CES Limited Board recognises that parents and carers are significant and essential partners with schools in actively supporting and nurturing the educational and wellbeing outcomes of children and young people from early years through adolescence. For this reason, Schools continue to engage parents in schooling matters even after the student has turned 18 and is legally recognised as an adult.</p> <p>Notwithstanding this, for a variety of reasons students under the age of 18 sometimes ask to make decisions on their own behalf, without involvement of their parents. The law recognises that a young person with sufficient maturity and intelligence may reach a stage where they are capable of making their own decisions about</p>

	<p>a wide range of issues including decisions about their education, healthcare and wellbeing before they are 18 years old. These young people are often referred to as ‘mature minors’.</p> <p>In such scenarios the Principal should consider the circumstances on a case-by-case basis and be satisfied that the young person has sufficient maturity, understanding and intelligence to comprehend the nature and effect of a particular decision. The Principal is, in the first instance, required to refer to the National Catholic Education Commission’s <u>Privacy Compliance Manual</u> and to consult with CES Limited and obtain the approval of the CES Limited Assistant to the Executive Director: Pastoral Wellbeing or CES Executive Director (or the delegate of the CES Limited Executive Director) prior to determining whether a student is a ‘mature minor’.</p>
<p>Negotiated transfer</p>	<p>Negotiated transfer means a documented and mutually agreed move to another school is arranged.</p> <p>Negotiated transfer occurs when all other pastoral and discipline measures, including suspension, have failed to resolve an issue of serious inappropriate student behaviour, a negotiated transfer may be considered. A negotiated transfer ends the enrolment agreement with the first school and requires an enrolment in another school.</p>

- **Students in Out-of-Home Care.** When considering the suspension, negotiated transfer or expulsion of a student living in Out-of-Home Care, the Principal is required to notify the Regional General Manager and consult with the CES Limited Assistant to the Executive Director: Pastoral Wellbeing to discuss supports.
- **Students with Mental Health concerns.** When considering the suspension, negotiated transfer or expulsion of a student presenting with mental health concerns, the Principal should ensure that he/she is working with the family and relevant health professionals to ensure a thorough understanding of all issues. The Principal is required to notify the CES Limited Assistant to the Executive Director: Pastoral Wellbeing to discuss supports.

7. Policy Statement

As the owner and operator of Sandhurst Catholic Schools, CES Limited is responsible for ensuring that all schools comply with the requirements of the Suspension, Negotiated Transfer and Expulsion of Students Framework by:

- ensuring that the Framework that the steps for managing suspensions, negotiated transfer and expulsion are clear
- ensuring that the policy and procedures are communicated to parents, guardians and students
- ensuring that there are procedures for maintaining a register of suspensions and expulsions
- ensuring that Sandhurst Catholic Schools follow this Framework.

8. Principles

Guiding principles for instigating suspension, negotiated transfer or expulsions in Schools include:

Fairness

All students and staff have the right to be treated fairly and with dignity in an environment that is safe, free from disruption, intimidation, harassment and discrimination. To achieve this, all schools must maintain high standards of student behaviour.

There will be cases of unacceptable behaviour where it will be in the best interests of the St Joseph's Chiltern community and/or the student involved for the student to be removed from the St Joseph's Chiltern for a period of time or completely. Suspension, negotiated transfer and expulsion are options available to the principal in these extenuating circumstances.

Ongoing Learning

Schools must ensure that, where practicable, prior to, and during processes of, suspension, negotiated transfer and expulsion:

- the appropriate personalised learning and behaviour support strategies have been used and documented
- the appropriate support personnel available within the school, CES Limited and externally have been involved.

Collaboration and genuine engagement between CES Limited, St Joseph's Chiltern staff, students and parent(s)/carer(s) are an important features of behaviour support in schools. All should be fully aware of the school's wellbeing and behaviour support policies and practices.

Supporting Vulnerable Students

In implementing a suspension, negotiated transfer or expulsion, the Principal will consider the special provisions that may apply where vulnerable students and families are concerned, notify the CES Limited Assistant to the Executive Director: Pastoral Wellbeing as outlined in this Framework. These include students:

- of Aboriginal and Torres Strait Islander descent
- with disabilities
- from culturally and linguistically diverse backgrounds
- in out-of-home care
- presenting with mental health concerns.

Diversity and Equity

When responding to behaviour concerns associated with a student with a disability, consideration must be given to the requirements of the *Equal Opportunity Act 2010* (Vic.), *Disability Discrimination Act 1992* (Cth) and *Disability Standards for Education 2005* (Cth). These require that reasonable adjustments are provided to support students with a disability to access and participate in education on the same basis as other students.

Transparency and Voice

Should parent(s)/carer(s) require a support person in order to participate fully in the suspension, negotiated transfer or expulsion process, a suitable person may be involved e.g. a member of a Local Aboriginal Education Consultative Group, an interagency support worker, staff from Victorian Aboriginal Child Care Agency (VACCA) or Victorian Aboriginal Education Association Incorporated <https://www.vaeai.org.au/> (VAEAI). The responsibility for organising a support person rests with the student or parent(s)/carer(s).

The Principal must ensure that records are made and retained of any action taken in relation to behaviour support or interventions put in place for the student and, if deemed necessary, the implementation of suspension, negotiated transfer or expulsion processes.

In determining whether a student's behaviour is serious enough to warrant suspension, negotiated transfer or expulsion, the Principal will consider the safety, care and wellbeing of the student, staff and other students and, notify the CES Limited Assistant to the Executive Director: Pastoral Wellbeing and must obtain approval to the extent required in this Framework. In such circumstances, the interests of the students will be balanced against the duty of care to, and the rights of, all

members of the St Joseph's Chiltern community, and the legal obligations to, as far as reasonably practicable, provide and maintain a working environment that is safe and without risk to health.

Where requested, the Principal will assist the parent(s)/carer(s)/relevant person to access to counselling for the student.
